

Family Newsletter

Hello parents,

This week we are going to be reading and talking about the award winning book Memory Jars by Vera Brosgol. Memory Jars is a A Booklist Editor's Choice Winner for 2021.

During this week we will be making our own memory jars. Students will pick their favorite memory and will draw that memory in a memory jar.

Digital reading resources:

Memory Jars can be found in a Ebook on the Kindle store, Barnes & Noble app, and Apple books.

The Harris county library also has the book available to borrow.
